## School Information

Blayney High School is a small rural comprehensive school in the Central West of NSW situated within a 40-minute drive from two larger regional towns (Bathurst and Orange). The school population is steady at approximately 325 students inclusive of 12.85% Aboriginal students and approximately 27% students with additional needs. Over 70% of students are from low SES backgrounds. Students come from a wide area, many from the small rural villages and the local town-based schools known as the Heritage Schools Learning Community.

Blayney High School has an excellent reputation within the education districts and wider community and has a strong tradition of providing an inclusive education that not only addresses the academic needs of the students but provides opportunities and wellbeing programs to support all students to achieve their best. Our goal is success for every student. Blayney High School has a very committed teaching, administrative and executive staff with a range of experience. Student leadership and participation in sports, the arts, school service and community are actively developed. In addition, Blayney High School has a highly successful learning community, with collaborative projects, such as renaissance reading and feedback based on quality success criteria, which have contributed to the overall development of all students.

## Position Information

The Head Teacher Technological & Applied Studies would be responsible for all areas of supervision of the TAS faculty including CAPA staff. The TAS faculty is a growing and dynamic faculty that provides the full range of TAS subjects from Years 7-12.

The TAS Head Teacher will be required to work within a dynamic executive team to ensure the Strategic Directions of the School Improvement Plan are implemented and the school shows growth during the improvement cycle.
