School Information

Grafton High School is a large comprehensive secondary school of over 750 students, located on the traditional lands of the Bundjalung people on the North Coast of NSW. The school contains a support unit with 7 classes and is partially selective, with a selective class in each of Years 7 to 10. The school is the oldest public high school on the North Coast and has a long-standing reputation for academic, cultural and sporting achievement. 12% of students identify as having an Aboriginal background. All students participate in a wide range of cultural recognition and learning experiences focusing on local Bundjalung culture, language and dance. The school employs a number of additional teaching and non-teaching staff from school base and equity funding; including a Business Manager, Transition Adviser and Head Teacher Administration.

Position Information

The role will predominantly include a 7-10 Science teaching load including a mixture of year groups and ability levels including a self select "gold" class. Opportunities for development in whole-school activities and projects will also be available.

Position Criteria

- Approval to teach Science 7-10.
- Well-developed collaborative skills with the capacity to work effectively within the Science Faculty in order to achieve faculty initiatives.
- Strong interpersonal skills with the ability to make positive relationships with students, parents and the broader community.
